Media Statement from Tim Dudley

"I want to thank the voters for their support and believing in a new day for State Government. We've been working for nearly a year to secure party support for the 51st District Senate race and tonight, we have won the support of the people. I want to thank my team of dedicated volunteers and my family for working hard to make sure our message was heard. Tonight, we celebrate then start again.

We have nine months to the general election and a race that will prove to be one of most hotly contested in the State. I look forward to this next contest and working with people across party lines to elect the right candidate for the job.

I'd also like to take my hat off to Amy Bliefnick. She ran a good campaign. I've always liked Amy and I think she does a great job for us on the Richland Board and managing the State Fair. I admire her call to public service and hope she continues on her path to serve."
